Qualification programme structure

The NPQSL content is delivered across four development stage cycles that include face-to-face events, online study, a formative assessment task and leadership performance coaching. The context focus for each cycle aligns to each of the content areas identified by the DfE, and their sequencing across the delivery cycle has been carefully crafted to ensure depth of study and time for most effective reflection and review by each participant.

Induction

The induction stage includes insight into and preparation for qualification engagement and the *School improvement and implementation* short course. Participants will complete their initial needs analysis as part of this stage.

Induction and Initial needs analysis

Self assessment of skills, knowledge and understanding of 'learn that' and 'learn how to' statements derived from the DfE qualification frameworks and leadership behaviours. The outcomes of the analysis inform ongoing discussion and feedback throughout the programme.

Face-to-face content outline

The NPQSL programme includes four face-to-face events spread across the 18-month duration of the qualification. Face-to-face events are delivered remotely for participants from International Schools.

Each event precedes online course study and will introduce the climate and context for online study. The four event days consist of tailored practice tasks, group networking and self-managed learning interaction supporting powerful dialogue and leadership development.

Face-to-face events

There are two intakes per year, one beginning in autumn and one in spring. Please see our website for application deadlines and delivery schedules.

Remotely delivered CPD

Before Covid, we were able to offer both Face-to-Face and Remote Online Delivery models, however since the introduction of travel restrictions, the majority of our International School NPQ participants now complete the qualifications through the Remote Online Delivery model. We hope to resume working with our International School partners to offer a choice of NPQ delivery models in the near future. Please contact us to find out more.

NPQs are remotely delivered meaning they can be completed anywhere in the world! We have remotely delivered NPQs to International Schools colleagues in places as remote as the Falkland Islands and the Seychelles so location is not an issue.

We use facilitated online webinars and the Virtual Learning Environment Canvas to ensure that participants completing NPQs remotely get access to the same great content and support as the thousands of NPQ participants who complete these qualifications through Face-to-Face learning in the UK.

The NPQ certificates received by UK participants and International participants are identical and are in high demand by both UK schools and International Schools.

Entry requirements

NPQSL is for those who are, or are aspiring to become, a senior leader with cross-school responsibilities such as an experienced middle leader, a SEN coordinator, an assistant headteacher or other senior staff.

In order to be accepted onto the qualification, participants must have their application endorsed by their headteacher via a signed headteacher declaration that is uploaded as part of the participant's application.

How to apply

Completing an NPQ is a huge achievement that requires a significant investment in time and effort. As such we advise all participants to follow these steps when applying:

- Discuss the NPQ with your headteacher or CPD lead. What are your goals? How will the NPQ benefit your school and pupils?
- Contact us with any questions about the qualification or the availability of funding.
- Start your application as early as possible to avoid the last minute NPQ rush!

The new and simplified NPQ application form can be found at outstandingleaders.org/npqsl-international

It should take no longer than 10 minutes to complete and our NPQ advisors are on-hand via our website's livechat to answer your questions and support your application.

We look forward to working with you 😊

What's next?

Participants who successfully complete NPQSL may choose to continue their professional development through the completion of a master's degree in educational leadership using the 30 master's credits earned through completion of the qualification.

Alternatively, if they deem themselves to be within three years of applying for headship roles, participants might go on to complete the National Professional Qualification in Headship (NPQH).

Professionally, NPQSL graduates may choose to apply for senior leadership or system leadership roles such as deputy head, specialist leader of education (SLE) or teaching school director.
