Qualification programme structure

The NPQEL content is delivered across four development stage cycles that include face-to-face events, online study, a formative assessment task and leadership performance coaching. The context focus for each cycle aligns to each of the content areas identified by the DfE and their sequencing across the delivery cycle has been carefully crafted to ensure depth of study and time for most effective reflection and review by each participant.

Induction

The induction stage includes insight into and preparation for qualification engagement and the *School improvement and implementation* short course. Participants will complete their initial needs analysis as part of this stage.

Induction and Initial needs analysis

Self assessment of skills, knowledge and understanding of 'learn that' and 'learn how to' statements derived from the DfE qualification frameworks and leadership behaviours. The outcomes of the analysis inform ongoing discussion and feedback throughout the programme.

Face-to-face content outline

The NPQEL programme includes six face-to-face events spread across the 18-month duration of the qualification.

Each event precedes online course study and will introduce the climate and context for online study. The six event days consist of tailored practice tasks, group networking and self-managed learning interaction supporting powerful dialogue and leadership development.

Days 1 and 2 are combined and take the form of a Residential held in a suitable venue. Meals and a hotel stay are provided for all participants.

Course intakes

There are two intakes per year, one beginning in autumn and one in spring. Please see our website for application deadlines and delivery schedules.

Delivery locations

Delivery venues are largely provided through our national network of teaching school and multi-academy trust partners. Participants applying from one of our partner groups will be allocated to that group for the face-to-face events*.

In addition to partner groups we also have a number of groups located according to the geography of the participants that register, helping minimise travel time for the majority of participants.

Participants not registering through a school partner will be allocated to their most geographically convenient group for the three training events and will be provided the opportunity to change group, or join our distance learning model, if their allocated group does not suit.

Our face-to-face groups take place across the country and we strive to ensure all participants have access to local delivery.

Entry requirements

How to apply

Completing an NPQ is a huge achievement that requires a significant investment in time and effort. As such we advise all participants to follow these steps when applying:

- Discuss the NPQ with your headteacher or CPD lead. What are your goals? How will the NPQ benefit your school and pupils?
- Contact us with any questions about the qualification or the availability of funding.
- Start your application as early as possible to avoid the last minute NPQ rush!

The new and simplified NPQ application form can be found at outstandingleaders.org/npqel

It should take no longer than 10 minutes to complete and our NPQ advisors are on-hand via our website's livechat to answer your questions and support your application.

We look forward to working with you 😊

What's next?

Participants that achieve the NPQEL may choose to continue their professional development through the completion of a master's degree in business administration (MBA) using the 60 master's credits earned through completion of the qualification.

Professionally, NPQEL graduates may choose to apply for executive leadership roles such as CEO or COO of a MAT, executive headteacher posts or similar.
